EDUCATION

Walchand Institute of Technology, Solapur

Jan' 2021 - Jun' 2024

BTech - Computer Science & Engineering; CGPA: 9.54.

Sangameshwar College, Solapur

Mar' 2020

12th Board (HSC); Percentage : 83.38 %; MH-CET : 98.97 %tile

Haribhai Deokaran Highschool, Solapur

Feb' 2018

10th Board (SSC); Percentage: 95.20 %

SKILLS

Programming languages

C, C++, Python, Javascript

Frontend Development

HTML5, CSS3, Javascript, Bootstrap, ReactJS

Backend Development

NodeJS, ExpressJS, MySQL, MongoDB

Familiar Tools

Git, GitHub, VS Code, Postman

Soft Skills

Communication, Problem Solving, Analytical Mindset, Presentation

PROJECTS

Rest-Store  - NodeJS, ExpressJS, MongoDB

Nov' 2023

- A RESTful API based on the MVC architecture that handles API requests of a Store App with all the 4 CRUD (Create, Read, Update, Delete) operations over various models like Users, Products and Orders.
- Implemented user authentication and authorization to ensure seamless conditional routing over 12 endpoints.
- Utilized two technologies, i.e, JWT and Bcrypt to ensure password encryption and secure routing over endpoints.

Bloggie  - MongoDB, ExpressJS, ReactJS, NodeJS

Oct' 2023

- A MERN Stack based blog web application enabling users to register & login and perform all of the 4 CRUD (Create, Read, Update, Delete) operation on blogs.
- Brought into play 2 important technologies like JWT and Bcrypt ensuring flawless user authentication and password encryption respectively.
- Built 10 React components and utilized them across 6 endpoints to create simple but user friendly frontend.

ChatCord  - NodeJS, ExpressJS, Socket.IO

Oct' 2023

- A chatting application that allows users to sign in to any of the 6 available rooms and start chatting with other users in the room.
- Made use of one of the important tool, that is, Socket.io for bidirectional low-latency socket for seamless chatting between multiple users across multiple rooms.

ACHIEVEMENTS

- **Leetcode**  - Max Rating 1427 – Solved 250+ DSA questions on leetcode.
- **IICC - 2022**  - Secured AIR 6915 and was selected for round 2 of IICC coding competition.
- **WITech - 2023** - Bagged 3rd prize in the event 'Tech - Wiz', a technical competition event.
